∴ Impact™

## ∴ half a century of family fun!

Quality and innovation have made Vogue a world-renowned name in the global aboveground pool industry. With many years in the business, our enthusiasm for great pools and summer adventure is as strong as ever – and we demonstrate it with every pool we make!

## ∴ what will you be doing this summer?

How about...

chatting with friends in the shade  
hot dogs grilling on the barbecue  
joining in water games with the kids  
soaking up the sun on a floating lounger  
taking an evening dip in the pool...

With a Vogue outdoor pool, your  
backyard will be the place to be  
this summer!

**Impact™**  
 With its sculpted lines, innovative technology and incredible endurance, Impact will win your heart as the ideal fusion of high technology and impeccable style.

Oval pool with invisible supports

**Boreal wall ∴ ∴ y.e.s.**

**Wall height: 52" (1.32 m)**

The Impact's exterior wall adds style to your yard and enhances existing decor. It is protected by a resin-based paint called Resin Shield, which provides an extra layer of resistance against corrosion.

**Yard Extender System**

Our oval pools come with the Yard Extender System, a series of practically invisible lateral supports that you place in the ground. It is a must for anyone who wants to make the most of their yard – and their pool!

## ∴ endlessly innovative

Impact is the first pool made from blow-molded resin, a revolutionary new material that eliminates any chance of structural corrosion while guaranteeing incredible durability and allowing for a perfectly round shape. It is crafted for easy assembly, guaranteed to install easily thanks to a system of interlocking parts with incredible lateral strength.

The purchase of an aboveground pool provides years of pleasure and fun, but it also involves water safety. Although we cannot supply a full-time lifeguard, we strongly recommend that you implement the following safety rules. These will help provide a pleasant atmosphere for you and your family.

- NEVER jump or dive in an aboveground pool.
- Maintain constant adult supervision when children are in or near any body of water.
- Read all of the safety, installation and maintenance information contained in your pool's instruction manual and water safety brochure before you start installing your pool.
- Ask your city about any specific rules and regulations that apply to aboveground pools.
- Follow your instruction manual and maintenance instructions.
- Never remove applied or posted safety stickers or signs from your pool or pool area.
- Barriers to prevent unsupervised access, especially by young children, should be built, installed and checked on a regular basis to ensure they are in good working order.

- Inspect your pool, barriers, alarms, and other related equipment on a regular basis in order to ensure they are in good working order and that they are safe.

Your pool's installation, maintenance and safety manuals contain detailed tips and recommendations. They must be read, followed and applied on a regular basis, as they will prevent unnecessary accidents and will ensure many summers of pleasant and safe family fun.
